

# WICONA Launches Video Series Exploring The Future Of Architecture

*WICONA, a major global player providing aluminum solutions, is proud to announce the launch of its video series WICONA MEETS that will explore the future of architecture. In the last months, the WICONA team has been busy hopscotching around Europe meeting with world-renowned designers and architects to find out more about the forces reshaping the field — and what the buildings, interiors and cities of tomorrow will look like. The first episode, set in Berlin, will be released on 19/11 at 2pm.*
